MEETING AND CONFERENCING

Our meeting and conferencing facilities accommodate meetings of between two to 250 persons. Our six meeting rooms for example are perfectly suited for intervision, coaching and assessments. If you wish, we are able to serve an elaborate lunch and/or dinner in the meeting room to be enjoyed within the privacy of your own group. Each meeting room accommodates meetings of ten persons at maximum. The six conferencing areas can be arranged flexibly to meet the needs and size of your group. Here, you will find all the technical facilities you require to support your training, meeting, company event or conference.

A BOARDROOM IN A TOP LOCATION

For the ultimate executive experience you are invited to the ninth floor, which hosts our stylish boardroom with panoramic views. Here, you enjoy perfect privacy as well as the benefit of eight Panorama rooms situated on the same floor, which you can reserve for your guests. If desired, we can re-arrange the tables after your meeting for an exquisite dinner in the boardroom with your group.

Diners

FESTIVE DINER

Be gastronomically surprised with an extensive 3-, 4-, 5- or even 6-course dinner and let us pamper you and your guests on this festive day.

Our beautiful menu offers a wide variety of dishes. Regional products have a prominent place on our menu. Tasty, often organic gems of the Twente region. Ingredients that you as a guest can only taste in this region and which guarantee a rich taste experience.

Allergies or dietary requirements? Let us know in advance! We adapt the dishes where possible.

3 courses	€ 34,50 per person
4 courses	€ 39,50 per person
5 courses	€ 44,50 per person
6 courses	€ 52,50 per person

WALKING DINER

A walking dinner is modern, social and original.

During a walking dinner it is often the case that several small dishes are served, which can be eaten there and then (with a spoon or a fork). Also called finger food.

All these small dishes together form a complete and culinary dinner. These culinary delights are a mix of hot and cold dishes that are often nicely prepared using, for example, an amuse-bouche spoon, classic fork or a beautiful glass. The biggest advantage of this way of eating is that you can speak to more people than when dining at a table with seating arrangement, simply because there are no set places.

Of course the menu is tailor made for you.

5 courses	€ 39,50 per person
6 courses	€ 44,50 per person
7 courses	€ 49,50 per person
8 courses	€ 54,50 per person
